VELEPOS LANIK

DEAR LADIES AND GENTLEMEN,

From 08 till 10 May 2009, the city of Varna, Bulgaria will host the Twelveth International Music Festival SEA and MEMORIES.

It is organized by Community Center 'Vasil Levski' with the kind support of the Municipality of Varna and under the patronage of Mr. Kiril Yordanov, Mayor of Varna.

The Festival will be held in the halls of Festival and Congress Centre. It aims at presenting the popular music of Bulgaria and the other countries in the world.

The name of the Festival, SEA and MEMORIES, and its taking place in the beautiful Black Sea city of Varna suggest that songs on the sea topic are expected and encouraged - songs dedicated to the sea, love and the people who have devoted their lives to professions connected with the sea.

Besides the concerts in Festival and Congress Centre, other accompanying events will be organized during the days of the Festival: a parade of old automobiles, concerts on the 'Rakovina' ('Conch') Stage in the seaside park, a meeting with the jury and participants.
